Re: Covid-19 Protocols – Updated

Greetings!

Current Covid-19 protocols issued by local, state, and national authorities are listed below. Please take the time to review each of them.

[COVID-19 Quarantine and Isolation | CDC](#)

[Coronavirus - Public Guidance \(michigan.gov\)](#)

[Updated COVID-19 Guidance for City of Detroit | City of Detroit \(detroitmi.gov\)](#)

ETS will be guided and influenced by these protocols. These protocols are subject to ongoing review and adjustment. ETS will stay apprised of those changes. In the meantime, here are a few bullet points the ETS community should be mindful of:

- You must make an appointment before visiting our campus.
- You must be vaccinated, wear a mask, and submit to a temperature check when visiting our campus.
- Employees must notify the seminary if they are exposed to or contract the virus. We will follow the CDC's *Quarantine and Isolation* directives located on the link above.

It is our sincere prayer that everyone will remain safe, healthy, and blessed.

3 John 2

2 Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers.
