Re: Update on ETS Plans for Online Courses and Staff Working Remotely

Good afternoon.

In response to the COVID-19 Emergency, ETS has taken the following actions:

- ETS will transition to online courses for the Spring Quarter beginning March 23.
- ETS staff will transition to working remotely from home beginning March 23 thru April 12, 2020. This will be monitored and reevaluated as appropriate.

COVID-19 advisories seem to change day-by-day and often hour-by-hour. Our primary focus is the safety and health of our employees and students. We will do whatever is necessary to accomplish this objective.

It is appropriate that we pray for the entire ETS community and our friends and their families. You will receive periodic updates as necessary.

Blessings and Divine Health,

Ecumenical Theological Seminary Leadership
