ETS CAMPUS SECURITY REPORT

Introduction

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires all Title IV participating institutions to annually prepare a security report that contains very specific campus security policy disclosures that will provide students and families with information needed to make informed decisions regarding safety on campus. Campus security policies and crime statistics requirements are stipulated under 34 C.F.R. 688.46.

This report is submitted in compliance with Clery Act requirements.

Part I of this report contains all policies and disclosures required by the Clery Act.

Part II contains the campus crime statistics to date that ETS is required to report.

Subject: Part I of ETS Campus Security Report
(Policies and Disclosures Required by the Clery Act)

Effective: June 14, 2020

Pages: 6

1.0 Purpose:

The purpose of Part I of the ETS Campus Security Report is to set forth ETS policies regarding procedures for students and others to report criminal actions or other emergencies occurring on campus and to state ETS' policies concerning its response to such reports as required by the U.S. Code of Federal Regulations at 34 CFR 688.46(b)

2.0 Scope

This statement applies to all ETS students, staff, faculty, or others who may observe or have knowledge of a crime occurring on the ETS campus.

3.0 Responsibility

The interpretation, administration and monitoring for revision and compliance of this statement is the responsibility of the Executive Assistant to the President - Operations ("EAP - Operations") or his/her designee(s). See also ETS Human Resources Policy No. 11.12 regarding Safety and Security incorporated by reference and affixed hereto as **Attachment A**.

4.0 Policy

4.1 Reporting Procedures:

Any criminal actions or emergencies (e.g., fire, injury, illness) that a student, faculty member or staff member observes or discovers that has been committed on campus during the business hours should immediately be reported to the VP of Administration, herein thereafter referred to as EAP - Operations. The EAP - Operations can be reached from any seminary phone by dialing ext. 207 or from any non-college phone by dialing (313) 831-5200 x207.

If criminal action or emergencies are observed or discovered after business hours on days on which classes are held (i.e., Monday through Thursday from 9:00 a.m. until 10:00 p.m., students, staff, and faculty members are directed to report the situation to our Campus Security Authority (CSA) (313) 831-5200 x207. The Evening Personnel can be reached at (313) 831-5200 x207. (See also Section 6.0 below.)

4.2 ETS Policies for Responding to Such Reports

Upon receipt of a report of criminal activity occurring on campus, the EAP - Operations will assure that all action required by 34 C.F.R. 688.46 and by this policy is taken.

4.2.1 *In the event of a fire*, an alarm will sound. Persons in the campus building should move calmly and immediately outside and stand in an area at least 50 feet from the building and away from any smoke. Staff and/or faculty will take a headcount and match it to their attendance data. Any person(s) unaccounted for should be reported to fire department personnel immediately and, as soon as possible thereafter, to the EAP - Operations (313) 831-5200 ext. 207 during business hours.

4.2.2 *In the event of a medical emergency*, students, staff, and faculty are to call the EAP - Operations (313) 831-5200 x207. Help will be dispatched to assist. If the medical emergency is life threatening, immediately call 911 for emergency medical service and then contact the administrative office.

4.3 Timely Warning

4.3.1 *Policies for Making Timely Warning Reports*. It is the policy of ETS to timely report all crimes to the campus community in a manner that is timely and will aid in the prevention of crimes described in 34 CFR 688.46(c) (1) and (3) (e.g., criminal homicide, murder and nonnegligent manslaughter, negligent manslaughter, forcible and nonforcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson, arrests for liquor law violations and illegal weapons possession, hate crimes by category of prejudice and involving bodily injury); crimes and emergencies reported to campus security authorities as identified under the ETS's statement of current campus policies mandated by 34 CFR 688.46 (b) (2) or reported to local police agencies and considered by ETS to represent a threat to students and employees.

4.3.2 To meet the requirement for timely “reporting to the campus community,” it is the policy of ETS to do the following:

- Simultaneously post a summary of all crimes recorded pursuant to these regulations at the time they are recorded
 - In the lobby of the Administration/Sanctuary Building,
 - In each classroom,
 - In each administrative office,

- Post annual crime statistics to our website as required by these regulations, and

- If criminal activity occurs which could pose a threat to others on campus, to assure timely warning is made to others, the EAP - Operations (or CSA at night) should instruct staff, faculty, and students on campus **via the public address system**, to secure themselves in an office that can be locked until they are cleared to emerge. Simultaneously, the EAP - Operations will summon local police authorities. Those in secured offices will be informed when they have been cleared to emerge.

4.4 Policies for Preparing the Annual Disclosure of Crime Statistics

It is the policy of ETS to prepare the Annual Disclosure of Crime Statistics in the following manner:

- 4.4.1** The EAP - Operations will collect and record any report of criminal activity set forth in 34 C.F.R. 688.46 (c) (1) that are reported by students, faculty, and staff during the business hours, or any such crimes reported to and recorded by the CSA after business hours.

- 4.4.2** On or about August 15th of each year, the EAP - Operations will submit, according to City policy, a Freedom of Information Act request to the Detroit Police Department Precinct through the Detroit Law Department Coleman A. Young Municipal Center 2 Woodward Avenue, Suite 500, Detroit, MI 48226-3437, requesting data to meet statistical reporting requirements required by 34 C.F.R. 688.46 (c) (1) and (3).

- 4.4.3** The EAP - Operations will compile the data described above into the format required by 34 C.F.R. 688.46 (b).

- 4.4.4** On or before October 1st each year, the EAP - Operations will report the above compiled data to DOE and to the campus community in accordance with the requirements of 34 C.F.R. 688.46.

4.5 Persons to Whom Reports Should Be Made

The names of persons, by title, to whom students or employees should report a criminal offense described in 34 C.F.R. 688.46(c) (1) for the purpose of making timely warning reports and the annual statistical disclosure are:

Title	Name	Telephone #
During Business Hours:		
1. EAP - Operations	Barbara Pye	313.831-5200 x207
2. Business Office Manager (alternate)	Jacquelyn Hines	313.831-5200 x211

4.6 Reporting Crimes on a Voluntary/Confidential Basis

It is the policy of ETS to allow victims or witnesses to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. Victims or witnesses wanting to report a crime voluntarily may do so by submitting a written statement or by requesting an audience with the EAP - Operations for the purpose of reporting a crime in such a manner. In either event, the statement will be received for the purpose of making timely warning reports and for the annual statistical disclosure, and confidentiality as to the person making the statement will be kept.

5.0 Policies Concerning Security of and Access to Campus Facilities and Security Considerations Used in the Maintenance of Campus Facilities

Invited guests and members of the general public must access our campus from the Woodward Avenue side of the parking lot and through the west lobby door. Students are directed to park on the south and east areas of the parking lot and enter through the south lobby door. Staff may use either lobby door to access the building. Students, Staff and Faculty are assigned door fobs for entrance into the building. Students are also assigned ID badges and are required to wear them at all times when they are in the building. Door fobs are person specific and are not to be shared with others.

All guests must sign in and out at receptionist desk.

The building is protected at night and when no activity is scheduled by a building alarm system. An administrative officer sets the alarm when the building is closed and disarms it when the building is opened.

6.0 Policies Concerning Campus Law Enforcement

ETS campus security is the primary responsibility of the EAP - Operations. A security office is on duty from 8:00am to 5:00pm Monday through Thursday and Special events as required.

While our Security Officer has no *official police authority or training*, they patrol the ETS campus by foot and vehicle. By their presence, our Security Officer helps keep our campus secure by watching cars parked on the parking lot, keeping unauthorized persons off our campus, escorting, or observing students and staff as they walk to and from their vehicles if requested, and securing the campus when there is no scheduled activity. Our Security Officer can assist students, staff, faculty, and visitors that are locked out of their vehicles or have dead batteries.

When present on campus after non-business hours, our Security Officer receives reports of criminal activities from students or faculty, records them, and presents them to the EAP - Operations on the following day for inclusion in official records. The Security Officer is not an official campus police officer or campus security department and, therefore, is not required to maintain an official daily crime log pursuant to 34 C.F.R 688.46(f).

6.1 Working Relationship with Local Police Agencies

Although ETS does not employ official or certified and trained police officers, ETS has a working relationship with the local police who are able to support and provide services promptly in the event of an incident. ETS encourages accurate and prompt reporting of all crimes to the local police.

6.2 Accurate and Prompt Reporting Required

Please note that all students, employees, and visitors also share responsibility for their own safety and are encouraged to take common sense precautions and report all incidents (i.e., crimes and emergencies) to the Administrative Office (313) 831-5200 x207 during business hours, and directly to 911 in the case of ongoing crimes or life-threatening emergencies.

6.3 Pastoral and Professional Counselors

When a pastoral or professional counselor or any school official deems it appropriate to do so, they may inform persons that it is the policy of ETS to allow a witness or victim of a crime to report the incident to the EAP - Operations on a voluntary or confidential basis for inclusion in the annual disclosure of crime statistics (See also paragraph 4.6 above).

6.4 Possession, Use, and Sale of Alcoholic Beverages, Illegal Drugs, and Weapons on Campus

It is the policy of ETS to strictly forbid the possession, use and sale of alcoholic beverages, illegal drugs, and weapons at any time on its campus. ETS will cooperate in the enforcement of Federal and State drug laws and drinking laws (including State underage drinking laws) by law enforcement authorities. See also ETS Human Resources Policy No. 11.11 regarding Drugs and Intoxicants hereby incorporated by reference and affixed hereto as **Attachment B**.

6 Campus Sexual Assault Programs

It is the policy of ETS to provide and maintain a campus environment that is free of harassment and discrimination based on sex (see also ETS Human Resources Policy No. 4.03 regarding Sexual and Other Harassment hereby incorporated by reference and affixed hereto as **Attachment C**) or any other legally protected status. All employees of ETS, as well as all other persons or entities affiliated or connected with ETS, are prohibited from engaging in any behavior that constitutes such harassment.

If a sex offense is alleged to have been committed against a student, the policies, definitions, practices, and procedures for reporting, investigating, resolving, and documenting such an offense, and the confidentiality policy described in Human Resources Policy No. 4.03 (pertaining to employees) will be applied as described therein in the event of an alleged sex offense against a student. In addition, the EAP - Operations will assist students in locating appropriate counseling, mental health, or other student services for victims of sex offenses. The EAP - Operations will assist a victim in understanding how her/his academic situation may be changed following an alleged sex offense, as appropriate. The EAP - Operations will also aid a victim in understanding procedures for disciplinary actions in cases of an alleged sex offense, including their absolute right to have others present during a disciplinary proceeding brought alleging a sex offense, and in understanding sanctions ETS may impose following a final determination of an institutional disciplinary proceeding regarding rape, acquaintance rape, or other forcible or nonforcible sex offenses. Students have the option to notify appropriate law enforce authorities and to be assisted by ETS administrative personnel in reporting offenses to law enforcement authorities if they request such help.

The ETS campus community is hereby notified that it may obtain information about registered sex offenders online at www.communitynotification.com/cap_main.php?office=55242/ or by contacting the Detroit Police Department, 1301 Third Avenue, Detroit, MI 48207 (313) 596-2200.

Attachment C: Sexual and Other Unlawful Harassment

Supersedes: All existing Sexual and Harassment policies
Effective: May 19, 2006
Revised: June 13, 2020
Pages: 4

1.0 Philosophy/Purpose

It is ETS' philosophy and practice to provide an environment that is free from sexual and other unlawful harassment. ETS is fully supportive of state and federal laws prohibiting the discrimination and harassment of any employee. ETS will take prompt investigative action in response to allegations of all forms of harassment and will take appropriate disciplinary and corrective action, where necessary.

2.0 Scope

This policy applies to all ETS administrative and academic support employees not covered by a contractual agreement with the seminary.

3.0 Responsibility

The interpretation, administration, and monitoring for compliance of this policy is the responsibility of the HR Administrator and EAP - Operations.

4.0 Policy

ETS prohibits and will not tolerate the harassment of any employee based on sex, gender, race, color, national origin, height, weight, religion, marital status, sexual orientation, family status, age, disability, or any other protected civil rights status. Prohibited forms of discriminatory harassment include, but are not limited to verbal, physical or visual harassment, unwanted sexual advances, and requests for sexual favors. Such harassment is a serious violation of state and federal law, as well as ETS' work rules and policies. Employees found to be in violation of this policy will be subject to disciplinary and corrective action, up to and including termination.

4.1 Definitions

4.1.1 Harassment: Is generally defined as unwelcome or offensive conduct in the workplace based on sex, gender, race, color, national origin, height, weight, religion, marital status, sexual orientation, family status, age, disability, or any other protected civil rights status, which unreasonably interferes with another employee's working experience.

4.1.2 Sexual Harassment: Michigan state law defines sexual harassment in the Elliott-Larsen Civil Rights Act 453 of 1976 as amended by Public Act 202 of 1980.

Sexual harassment claims fall into two categories:

- **Quid pro quo:** harassment occurs when an employee is forced to choose between giving in to a superior's sexual demands or forfeiting an economic benefit such as a pay increase, a promotion, or continued employment.
- **Hostile environment:** occurs when sexual or other discriminatory conduct is so severe and pervasive that it interferes with an individual's performance, creates an intimidating, threatening or humiliating work environment, or perpetuates a situation that affects the employee's psychological well-being.

Sexual harassment takes on a variety of forms from subtle pressure to physical contact. Examples of behavior that may be considered sexual harassment can include:

- Persistent or repeated unwelcome flirting, advances or propositions, pressures for dates, sexual comments, or touching
- Sexually suggestive jokes, gestures, and comments, display of sexually oriented pictures, posters, or other material offensive to others
- Graphic or suggestive comments about an individual's dress or body, including sexually degrading words to describe an individual
-
-
- Preferential treatment or promise of preferential treatment in exchange for dates or sexual conduct
- Denial or threat of denial of employment, benefits or advancement in employment or education programs, for refusal to consent to sexual advances

5.0 Practice/Procedure

5.1 Reporting of a Complaint

ETS encourages individuals who believe they are being harassed to notify the offender firmly and promptly that the behavior is unwelcome. Any employee who believes he or she has been harassed in violation of this policy or who believes himself or herself to be the victim of any harassment in his or her employment should report such activity immediately. An employee may make such report to the highest on-site ETS Officer available or the HR Administrator or EAP - Operations. Seminary personnel who have reports of harassment reported to them shall immediately discuss the allegation with the HR Administrator or EAP - Operations. If the incident involves an Officer of the Seminary, the employee shall report such activity to the Chair of the Board.

Individuals are urged to report the complaint within seventy-two (72) hours of occurrence or as soon as reasonably possible if extenuating circumstances exist. The initial report may be oral but must be followed by a written complaint that includes as many specific details as possible. Individuals who would like assistance in preparing a written report should contact the HR Administrator.

Further, any employees who become aware of, or has any information regarding the harassment of oneself or another employee shall immediately report this information to the highest on-site ETS Officer available or the EAP - Operations. If the incident involves an Officer of the Seminary, the individual shall report such activity to the Chair of the Board or the Vice-Chair of the Board.

5.2 Investigation of a Complaint

ETS will investigate any and all reports of harassment and will promptly take any appropriate action necessary. Within seven (7) days, the HR Administrator will establish a fact-finding response team to conduct an investigation. Members of response teams will consist of a minimum of three members and shall be established as follows:

Dismiss the allegation
Recommend mediation
Place the accused on a leave of absence

Seminary leadership who learns of such incidents of harassment and fail to investigate or take other appropriate action may be subject to corrective action, up to and including termination. Any employee who makes a complaint knowing it to be false or who makes such complaint in reckless disregard of the truth will also be subject to disciplinary and corrective action, up to and including termination.

5.3 Resolution or Determination

The final disposition of any formal sexual or other harassment complaint will be reported to the Board of Directors.

5.4 Documentation and Records

In all situations and in all circumstances, a complete and detailed log of events will be maintained by the investigating person(s) and reviewed on an ongoing and as-need basis.

5.5 Confidentiality

Except otherwise permitted by law or required by a court order, the disclosure of information pertaining to a Sexual or Other Harassment case is prohibited. All records and files will be maintained separately in secured files in the same manner as other human resources information and documentation. All documentation and records shall not be placed in an employee's personnel file.

Sexual and Other Harassment Acknowledgement and Acceptance Form

Subject: Part II of ETS Campus Security Report
(Campus Crime Statistics)

Published: July 1, 2009

Revised: June 14, 2020

Pages: 2

Title 34 of the Code of Federal Regulations at Sec. 668.46 requires ETS to prepare an annual security report that contains crime statistics that are reported to local police agencies or to a campus security authority for the three most recent calendar years. This report pertains to criminal activity that occurred on campus, in or on non-campus buildings or property, and on public property (as these locations are defined in 34 CFR Sec. 668.46) (a).

OVERVIEW

To aid in understanding the crime statistics reported by ETS, the following points are underscored:

- The only building or property owned or controlled by ETS is its Administrative/Sanctuary Building at 2930 Woodward Avenue, Detroit, MI 48201, hereinafter referred to as the “campus building”. ETS does not own, control, or use any other building or property for its educational purposes, including non-campus buildings or properties, within the same reasonably contiguous geographic area, or elsewhere.
- ETS “public property” as defined in Sec. 668.46(a) (i.e., thoroughfares, streets, sidewalks, and parking facilities within the campus or immediately adjacent to and accessible from the campus) would include: a) its parking lot which is adjacent to the north and east sides of the campus building; b) the streets and sidewalks on Woodward Avenue (from Edmund Place north to the northern end of the ETS parking lot); and c) the streets and sidewalks on Edmund Place (from Woodward Avenue east to the eastern end of the ETS parking lot). The north and east boundaries of the parking lot are immediately adjacent to buildings not owned or controlled by ETS or are otherwise fenced in and not accessible from the campus. (See map at **Attachment A**, hereto.)

- Statistics recorded and reported by ETS include a geographic breakdown by location (i.e., on campus or on public property) as required by Sec. 688.46 (c) (4) and provide for the insertion of categories of prejudice and whether bodily injury was involved for any reported hate crimes as required by Sec. 688.46 (c) (3).
- Statistics to date for the three most recent calendar years concerning the occurrence of crimes on campus and on public property that were reported to local police agencies or to our security officer are set forth at **Attachment B**, hereto.

Criminal activity reported by ETS on Attachment B, hereto, includes:

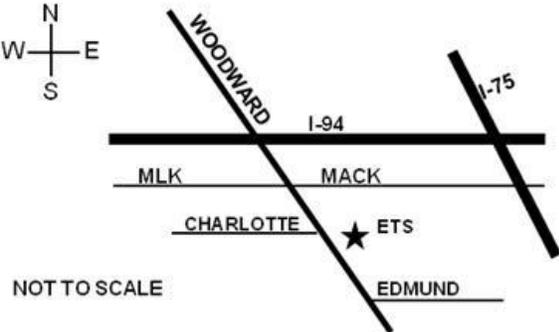

- Any crime statistics in its annual security report for the calendar year in which the crime was reported to its campus security officer or administrative office pursuant to 34 CFR 688.46 (c) (2).
